DELJIT 92.1 Guideline	Only DE2379 codes that include CENTURY should be shown as used. This is an EIDX policy.	Guidelines	Nov 1995	Nov 1995	To date (9/6/96) not all legacy systems can accommodate century. Code values of 101,102,201,203 will be offered with an emphasis on conversion to the code values that include century. In the year 2000, DE2379 codes that include century will be the only ones used.

DELJIT 92.1 Guideline	Add capability to receive product to multiple ship-to locations.	Guidelines	Nov 1995	Nov 1995	With the advent of JIT many companies now require product to ship to multiple locations within the same plant. This is a growing need and the capability has been added to the DELJIT document as an option.
